WILL HAVE TO WAIT.

Mr. Pleasant Citizens Will Not Get Better Car Service Now.

A committee of Mount Pleasant citizens, composed of Assistant District Attorney Lipscomb, W. B. Matthews and Chapin Brown, visited the Commissioners yesterday afternoon and explained their grievances against the Washington and Georgetown Railroad Company. President Hurt, of the company, was also present. Mr. Hurt thought that the matter should not be considered now, because the complaints submitted to the company had not yet been passed upon by the directors of the road.

Mr. Lipscomb, on behalf of the committee, said that they wished a double track to be run out to Park street and the extra three cent fare abolished. Mr. Hurt said that the company did not wish to lay any new tracks at present, as they had a cable road in contemplation and would have to tear up the tracks up again. He objected to the proposed measure of the committee to give the company sixty days to extend the line, and said that the Mount Pleasant people had given their consent to the three cent fare in order to get the car service. The company was now in correspondence with an engineer with a view of constructing a cable road.

The committee were well pleased with the prospect of a cable road, but they wanted relief right away.

Colonel Robert said that as soon as the paving of Pennsylvania street from Gale to Park streets is commenced the company would be required to lay double tracks in the center of the road.

Mr. Hurt said that the company would begin laying the tracks when the paving was commenced. The Mount Pleasant people therefore will have to wait until the District is ready to pave Fourteenth street in order to obtain their wants.

SULLIVAN GOING AHEAD.

Already He Has Secured Six Men and Will Go Away.

There has been a change for the better in the baseball situation, and now it is assured that the team will go away in its trip just as if nothing had happened. Yesterday Sullivan secured several new players, among them Chris Palmer and O'Rourke of the Baltimore. He has other men in view and will have a reasonably fair team when he starts away. He expects to strengthen it on the trip, and when he returns he expects to have a tip top nine. The only member of the old club who will belong to it will be Gleason, and he will join the team on Monday.

Gleason is to have a benefit game at Capitol Park on Saturday afternoon. A team of professionals will play against the Columbia Athletic Club, and already there has been a large advance sale of tickets. Bill needs some substantial sympathy, for he stood by the club all through, and was the only one of the lot who tried to help it out. He deserves a rousing benefit and will probably get it.

Want the Grant's Remains Removed.

A meeting of the Southern States' Colored Republican Association was held last night at Colonel Perry Carson's hotel. Mr. H. J. Karpis, who had attended the Republican convention recently held in Tennessee, occupied the chair. Mr. Lewis offered a series of resolutions condemning the neglect shown in General Grant's tomb in Riverside Park, New York. The resolutions tender thanks to Senator Plumb for his resolution looking to the removal of the remains of General Grant to the Capital of the nation, where they properly belong, and ask for the speedy removal of Mr. Plumb's resolution.

IN A GOOD CAUSE.

UNUSUAL ACTIVITY AMONG THE TEMPERANCE WORKERS OF THE CITY.

The Rechabites Enjoining a Substantial Room—Four New Tents to Be Organized—A Rally Next Week.

The Order of Rechabites is on a substantial boom in the District. A Chronic reporter called on High Secretary Mahoney last evening and that gentleman assured him that the enthusiasm had no bounds as the membership in all sections of the country were working harder than they had for many years. This fact he doubtless due, he said, to the enthusiasm shown at the High Tent session in Hagerstown in July and that it will continue he has no doubt.

He said: "We are making arrangements to organize tents in Florida, Georgia, South Carolina, Michigan and West Virginia and before many days roll by we will have a tent in East Washington, one in Northwest Washington and a ladies' tent in Capitol Hill. It blanks by the thousands, letters by the hundreds and Rechabite callers in any criterion of this order's push at the present time any one who doubts its success can have his doubts allayed by calling on me."

On Monday evening the "Temperance Tent" was in charge of Cammack Tent, No. 56, who had good speakers present. Past High Chief, Walter Thomas B. Marche and Dr. Kirby made interesting speeches, urging the gentlemen present to go into the tent to be organized in this section. Twelve men signed an application for charter, and the work will go on until the tent is instituted. Twenty-one signers have been procured for a tent in East Washington, which will be organized at once. High Secretary Mahoney has about one hundred ladies who have signified their intention of organizing a ladies' tent, and as soon as the number reaches twenty it will be organized.

Monday evening Capitol Tent, No. 19, Jr., had a splendid meeting, at which it was arranged to have an open good-of-the-order meeting next week, to which each member will be entitled to have one guest. Singing, recitations, speeches, ice cream and cake will be in order and a good time is expected.

On the same evening Heber, No. 19, had a good meeting. The degrees of the order were conferred on several candidates. Remarks were made under "good of the order" by Messrs. R. E. Smith, H. H. Johnson, W. M. Hall, F. W. Daw, John A. Thurn, James H. Peterson, O. P. Sauer, J. C. Green, Henry Potter and others.

Tuesday evening Salem Tent, No. 174, held one of the most red hot meetings of the quarter. Mr. W. C. Butler of Savannah, Ga., was present and gave the Tent a glowing account of the order's property in the South. Remarks were also made by John M. Carter, H. M. Mitchell, James T. Harrison, R. S. Padgett, Henson Beach, James F. Clary, John Jackson, Thomas W. Scott, W. W. Cordell, J. C. Eller, H. E. S. and several songs by Mr. L. Main.

Tuesday evening Cammack Tent, No. 56, held one of their usual interesting meetings, one candidate was initiated and two applications were received. Remarks were made by John R. Mahoney, W. B. Marche, William Boyd, A. Harris, Mr. Moberly, Dr. Kirby, G. H. Daniels and others. On the same evening Cammack Tent, No. 56, held an increasing meeting at which a committee was appointed to procure another hall.

On Tuesday evening Anacostia Tent, No. 126, received two applications, and had good of the order remarks from G. W. Shoemaker, J. H. Goddard, L. B. Reed, S. R. Mundell, Charles Bladen and others.

Union Tent, No. 87, received two applications for membership at their meeting this week, and had encouraging good-of-the-order remarks by Messrs. William H. Hunt, Charles W. Steers, James Reagan, V. J. Matchett, A. H. Hunt and others.

National Tent, No. 3 (ladies), held an interesting meeting last evening. Miss Rosa Foster, who had been absent visiting friends in Caroline County, Va., was present, having returned, and was initiated as C. R. by Acting Installing Officer Miss Anna Caterton. Remarks were made by Miss Nellie Mages, Miss Mary Langhorn, Miss Rosa Foster, Miss Delia Thomas, Miss Verdie Caterton and Mr. L. M. Milledale.

The Grand Tent of the District met last evening in Bunch's Hall, with every tent in the District represented but Cammack Tent, Junior. Mr. G. W. Shoemaker presided. The report of Grand Chief Butler J. C. Lee was taken up and adopted in all essential particulars. Grand Secretary Thomas W. Scott and Grand Treasurer J. E. Minnis made their reports, which were referred to the proper committees. It was developed that another tent would soon be organized in the northwest section of the city beside the three already mentioned, and the members of the Grand Tent offered to give all aid possible in this organizing work.

Union Tent, No. 87, will have charge of the Temperance Tent next Thursday evening. This meeting is to further increase the large number of names already procured for the new tent in that section. The several tents of the District will meet in Union Tent's room, and with music proceed to the place of meeting in a body.
